OUT THE STATE OF DELAWARE, AND ALL OTHER
INTERESTED PERSONS**

Pursuant to 26 Del. C. §203A and 26 Del. Admin. C. §4001-4.0, ExteNet Asset Entity, LLC ("EAE" or the "Applicant"), with authority to transact business in the State of Delaware, has applied to the Delaware Public Service Commission ("Commission") for a Certificate of Public Convenience and Necessity ("CPCN") to provide local exchange and competitive intrastate telecommunications services in the State of Delaware.

The Commission has been authorized by the General Assembly to foster and promote the competitive provision of intrastate telecommunications services, where appropriate, within the State of Delaware. Pursuant to such authority under 26 Del. C. §703 and the Rules and Regulations of the Commission, the Commission will consider whether to grant the requested CPCN to the Applicant. The Commission Staff is reviewing the application and will determine if the Applicant has satisfied the criteria to provide local exchange and competitive intrastate telecommunications under Delaware law.

Any person who wishes to protest or to comment upon this application must do so in a written document filed with the Commission **on or before April 17, 2019**. In the absence of any good faith protest, the Commission will grant the Applicant a CPCN.

The Commission's mailing address for the filing of any protests or comments is:

You are invited to review the Applicant's filed application and supporting documents to determine how your interests may be affected. You may review documents by going to DelaFile (<http://depdc.delaware.gov/>), the Commission's file management system, and by searching for Docket No. 19-0056. If you would like to review documents at the Commission's office, please contact the Commission at 302-736-7500 to arrange a time for your review. You may also review the petition and supporting documents at the office of the Division of the Public Advocate located at either 29 South State Street, Dover, Delaware 19901 or the Carvel State Office Building, 4th Floor, 820 North French Street, Wilmington, Delaware 19801. Please call (302) 241-2545 (Dover) or (302) 577-5077 (Wilmington) to arrange a time to review the documents at the selected location.

Because this is a competitive provision of such telecommunications services, the Commission will not make a determination that the tariff provisions or the proposed rates are just and reasonable.

The Applicant is not regulated by the Commission as a monopoly service provider. The Commission is relying on the competitive marketplace to determine acceptable terms and rates for the various competitive telecommunications services offered by this company and, therefore, **ALL PROSPECTIVE CUSTOMERS ARE ADVISED TO VERY CAREFULLY REVIEW THE TERMS, CONDITIONS OF SERVICE AND RATES BEFORE SUBSCRIBING.**
